Lighting The Lamp: Invocation of a Muse!

Dr. Damuluri Venkateswar Rao
Professor of English & English Poet
Hyderabad, Telangana, India.

Let's light the lamp to enlighten our hearts.

Invoke the goddess of wealth, knowledge, and happiness!

Nature's beauty, creatures' existence is seen by the light.

The light of the sun clears the clouds in the sky.

Sun rays purify dirt from water to grow plants into trees!

Light spreads brightness throughout the entire universe.

It removes the ignorance from our minds and the darkness from our souls!

Provide us with clarity of thinking, and live our lives joyfully!

A ray of light replaces the long darkness to provide a path for vision.

It fills the purity of the human mind and heart with its brightness!

When the sun disappears, light enlightens species on earth!

The sun showers light on the day; the light of the lamp replaces darkness!

A noble deed and a prosperous life begins by lighting the lamp,

With our sacred actions and pure hearts, invite the muse for all of us.
