Hollow Promises

Riyaz Ahmad Dantoo
Research Scholar

The infinite love,
Some true bonds and tired badges,
The romance of belongingness,
Treasons and the mashed sympathies.
Below these all tendencies encompass
A blurry treasure of uncanny promises,
Build on the sides of hollowness,
On the banks of feudalism,
Materialistic conspiracy and heartless love.
This might be the modernist absence in present,
Offering constituent boredom
Of sheer promises and empty grimaces
Of sadness in love,
Emptiness in abundance
Truth less bondages
Following the segregation,
And criterion of unholy collections.

Bio:

Riyaz Ahmad Dantoo is a resident of Jammu Kashmir (India) and has done a master's in English Literature from the University of Kashmir. He has published many research papers and poems in national and international journals. He is presently pursuing PhD and writing extensively about postmodern age from the perspective of literary critics and theorists.
