Who is he like blooming the first native of Eden
Whose blaze of glory has made million stars sharpen
Whose aroma is wondering with its infantry
Making a surprising covert entry

No racing companion in hurrying to beat
Smoothly it comes to be treat
When it compasses within the horizontal peek
To arrange for bridle path's seek

Some atone adherence are waited for a few convivial
From beamless darkest questing to the revival
Deeping dive closer to the shell
To unfold the border of infancy and hell

Twinkling from the opening bottom harbinger
Capturing angelic cantus like a swinger
It bedizen human soul to its celestial purity
That comes from blacken pearls, goes to eternity
