Escape

Dr. Swagata Chowdhury

Solitude is bliss on a soft dark night,
As the heart is soothed by the tranquil sight.
When the stars twinkle with the rhythm of life,
The crickets chirp with a joyful vibe.
Gentle breeze sings lullabies calming the restless mind
And whispers to move on leaving the agonies behind.
The wild fragrance lures the soul to adore
The distant unknown once more.
When the inner darkness comes to strangle my light,
I want to escape into such an effulgent dark night.
