## Beyond Echoes: A Journey of Self-Discovery

Devanandana. S

The whispers of yesterday, they fade away,  
As morning sunlight, brings a brand new day.  
The echoes that lingered, like a ghostly refrain,  
Dissolve in the warmth, of life's renewed terrain.

I step into the unknown, with heart aflame,  
Embracing the future, with an open page.  
The stories of yesterday, they shape my soul,  
But today's adventures, make my spirit whole.

In every step forward, I leave behind,  
A piece of my past, like autumn's leaves entwined.  
Yet, the memories linger, like a fragrance sweet,  
Reminding me of journeys, where my heart skipped a beat.

The growth that I've known, it lights the way,  
Through shadows of doubt, to a brighter day.  
And though nostalgia calls, with a gentle breeze,  
I'll follow the sun, where tomorrow's promise seize.

For every door closed, a new one opens wide,  
A chance to rediscover, and grow inside.  
The echoes of yesterday, they whisper low,

“Remember who you’ve become, and where you’re going to go.”

With each step forward, I find my voice,  
A strength that’s born, from the heart’s rejoice.  
The fears that once held me, they lose their grip,  
As I embrace the unknown, with a courageous flip.

In this uncharted terrain, I find my way,  
Through trials and triumphs, to a brighter day.  
The echoes of yesterday, they fade into the night,  
As I welcome the dawn, with a heart full of light.

The shadows that once shrouded, now lift and clear,  
Revealing a path, that’s uniquely dear.  
The growth that I’ve known, it guides me through,  
To a place of wisdom, where love shines true.

With every breath, I let go of the past,  
Embracing the present, where love will forever last.  
The echoes of yesterday, they whisper goodbye,  
As I step into tomorrow, with a heart full of sigh.

As I journey through the unknown, I find my strength,  
In the resilience of my heart, and the depth of my length.  
I’ve walked through fire and rain, and emerged anew,  
With scars that tell my story, and a heart that’s true.

The echoes of yesterday, they whisper secrets low,  
Of a soul that's grown and learned, and a heart that's aglow.  
I've discovered hidden truths, and uncovered my own voice,  
And in the silence, I've found my heart's own choice.

With every step forward, I claim my ground,  
And in the stillness, I hear my heart's own sound.  
I've learned to trust the journey, and to have faith in me,  
And in the unknown, I've found a sense of destiny.

The echoes of yesterday, they whisper words of old,  
Of a soul that's grown and learned, and a heart that's turned to gold.  
I've discovered hidden treasures, and uncovered my own might,  
And in the darkness, I've found a shining light.

As I step into tomorrow, I do so with an open heart,  
Embracing the unknown, and trusting that I'll find my way to start.  
I'll hold on to the lessons, of yesterday's journey and strife,  
And use them to guide me, as I step into tomorrow's life.

**Bio:**

Devanandana Suresh is a young and aspiring writer from Alappuzha District, Kerala, born on November 25, 2005. With a deep passion for literature, she finds joy in crafting poems and stories that reflect her connection with nature and her nostalgia for childhood. Her writing is a testament to the power of imagination and the human experience. Through her poem, "Beyond Echoes: A Journey of Self-Discovery", she conveys a heartfelt message to cherish the beauty of childhood and to have faith in the promise of new, beautiful days to come. She reminds us to accept

the reality that our past days, though cherished, will eventually become memories, and to find strength in the present moment. With a unique voice and perspective.
