## **About Vinayakrao Patil Shikshan Prasarak Mandal**

Vinayakrao Patil Shikshan Prasarak Mandal was established in 1986 with the motto “Dnyandeeplau Jagee” (Let light the lamp of knowledge in the world). It was started with a strong vision, mission, and objectives of the founding members and focuses on the overall development of the students. Sanstha has started Venutai Chavan Kanya Prashala (Girl School) in Chh. Sambhajinagar. Today, it has expanded to include junior college, Primary school, and Nursery. Sanstha has started a Kanya Shala (Girls' School), a Junior College, and a Primary English School in Deogaon (R) in Kannad Taluka.

The Senior College, with Arts, Science, and Commerce faculties, has been operating in Kannada since 2000 to cater to the needs of rural students. It is permanently affiliated to Dr. Babasaheb Ambedkar Marathwada University, Chh. Sambhajinagar offers various undergraduate programs. The College is listed under 2 (f), 12 (B) & Accredited by NAAC with ‘B’ Grade. The college offers various skill development programs and conducts curricular, co-curricular, & inter collegiate activities through various clubs and cells, aimed at the holistic development of students. As a quality initiative, the college aims to foster a strong research culture among students and staff through publications and conferences across the social sciences, sciences, and Arts. This Conference encourages and ensures that each undertakes original work that benefits society. Sanstha started its Arts Junior College in 2004 and its Science Junior College in 2008. Polytechnic College started in 2010.

All these courses are held in a well-furnished building, and students are taking advantage of the infrastructure in rural areas. Sant Tukaram Mahavidyalaya, Kannad, was established to provide high-quality higher education to students in rural and hilly areas. The college has a 10-acre campus. Approximately 800 trees are planted on the college campus to enhance the greenery. We have a women’s hostel and a well-equipped Gymnasium Hall. Students are working in various government offices and in the private sector. The college has established a placement cell to help students secure job opportunities.

## Vision

To empower the masses of an area with the power of knowledge.

## Mission

To bring rural students into the mainstream of higher education and make them competent in the age of globalisation with a scientific temperament.

## Aims & Objectives

To educate the rural youth through curricular & co-curricular activities.

Providing a base for further education.

To nurture them to be responsible citizens.

Inculcate value-based education & make them conscious of the environment.

To inculcate job-oriented skills and foster social and cultural harmony among students.
